### **Swim Zone Pools endorses the National Pool Alone Policy**

All Children under 8 must be actively supervised by a caregiver 16 years or older.

***Supervision of young children is a shared responsibility for all of the community and lifeguards play an important role in this. However, the end responsibility, and greatest overall impact if something does go wrong, lies with the caregiver. A lifeguard takes an overview of all pool users and is there to provide assistance when required. They can't be expected to watch every single child every moment to ensure their ongoing safety.***

### **Swimmer Dress Policy**

We take pride in good, clean water quality.

To ensure this quality is maintained the following swimwear standards apply;

- Wear recognized swimwear in the pools. Togs, wet suits and rash shirts
- No underwear or boxer shorts
- No shorts below the knee
- No T shirts, singlet's, skirts, hats.
- All children under 4 years must wear a swimming nappy. ( available at reception)

Any person who fails to comply with any of the swimmer dress policy shall be asked to vacate the pools.
